Objective

To continue to develop professionally in a collaborative environment where I can utilize my experience and skillset to deliver innovative design solutions. I am working towards NCIDQ certification.

Education

The Art Institute of California – Los Angeles
Bachelor of Science in Interior Design, Dec. 2010 *CIDA Accredited*

Experience

07 | 15 – Now **Concepts Assoc. Designer**, Starbucks Seattle, WA
Store designer role with a focus in program and initiative rollout throughout the U.S. portfolio. Projects range from small, market specific launches to national, multi-million dollar investments in thousands of stores. Job functions include new store design, drawing and schematic reviews, establishing design guidelines for program implementation, coordinating with architects and other contracted partners, and project management.

06 | 12 – Now **Owner**, Hart Design Studio Tacoma, WA

Full service commercial and residential interior design studio including concept development, space planning, programming, strategic branding integration, architectural design and development, design documents and details, contractor management, FF+E specifications, budget management, project management, product sourcing and procurement, and other general design services.

07 | 13 – 07 | 15 **Merchandiser**, Unique Home Furnishings Tukwila, WA

Sales base merchandiser responsible for creating and maintaining trend forward visuals for home furniture including bedroom, dining and living room mock-ups.

01 | 11 – 08 | 11 **Design Assistant**, Delta H. Design, Inc. Culver City, CA

General administrative support as well as office management, project support and client management. Assisted with redlines, construction documents and concept design.

03 | 09 – 06 | 11 **Textiles Librarian**, Knoll Textiles Santa Monica, CA

Managed Knoll Santa Monica's textile library and all textile related displays throughout the showroom. Created and implemented visual merchandising plans for new product, managed samples inventory count, and provided customer service and assistance to designers, architects and private clientele.
